Dear Frank,

I want to take this opportunity in showing our appreciation in working with your courteous and knowledgeable staff.

Your knowledge on hardware components, of unique applications is extensive and thorough. Whenever I encounter hardware problems and issues, I know I can call you, to provide me with the answer or a solution to my problem.

In the last several years, since we have opened an account with Mayport Hardware Limited, your prompt delivery of materials to the site is always greatly appreciated by the trades that install them.

With such excellent service as this, why look elsewhere.

Best regards,

Paul Patille
